NARRATIVE:

Sara Curiel has an extensive adult criminal history that began at the age of 31. Her convictions include felon/addict in possession of a firearm, burglary, resisting arrest, vandalism, theft of personal property, grand theft auto, multiple vehicle thefts, evading a peace officer without regard for safety of others, and multiple drug convictions. She has served multiple state prison terms, the longest, a 2 year term for felon/addict in possession of a firearm. Curiel was released from state prison to the supervision of the Los Angeles County Probation Department on March 3, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in July 2014 after she absconded from post release community supervision (PRCS). Curiel qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for felon/addict in possession of a firearm is defined as non-serious and non-violent under the California penal code. Her prior criminal history, and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
